

A27 Clapham Drainage

A-one+, on behalf of Highways England will be carrying out drainage pipe replacement, clearing of the pipe network, internal patch and pipe lining repairs. The works will include the construction of a new footpath for access to the balancing pond by Clapham Interchange on the A27.

In order to carry out these works as efficiently and as safely as possible, work will be carried out utilising overnight lane and full closures on the main carriageway and Interchange slip roads between 8pm and 6am. The works will be carried out from **Monday 18 November 2019 to Friday 20 December 2019** and are weather dependent. The construction of a footpath to the nearby balancing pond will be carried out off network from Monday 18 November 2019 for the duration of the works. No works will be carried out at the weekend though these maybe considered for contingencies.
