

Carpet Bowls is a society that meets every Thursday afternoon from 2 - 4 pm in the Village Hall.

The game is similar to Lawn Bowls except it is a much shorter "green". Our green is a mat which is rolled out and as is usual two teams play one another. However the difference is a circular wooden obstacle in the middle which has to be bowled round in order to reach the jack. We have a very enjoyable time with laughter and all enjoy the game. There are two mats if required.

More players would be very welcome. The first two visits are free and afterwards the fee is only £2 per session. The money goes to the hall funds. Come and give us a try any Thursday!
