

The Findon Village Summer Revels

Sponsored by The Big Lotto, Clear Computing and Curtis Estate Agents

On Saturday 18th May St John the Baptist C of E Primary School hosted the famous Findon Village Summer Revels – now over 160 years old!!! Providing fun for the whole family, the Revels has a rich history and has become a much-loved village tradition.

The fun began at 11am with a procession down to Pond Green for country dancing before returning to the main green for midday as children from the school celebrated the beginning of the festivities by performing dances around the traditional maypole. Worthing's Town Crier Bob Smytherson then officially opened the event before all the free entertainment began - Worthing's Steel Band treated everyone to some fantastic music; Activ8 For Kids and Out

of Bounds gave the children some fantastic games within their children's clubs and finally the UK's Top Extreme Mountain Bike Stunt Show showed off their incredible skills to the excitement of the crowds! The many hundreds of families that attended browsed the wide range of traditional fun village stalls and took part in a plethora of exciting adrenaline fuelled activities and games including Total Wipeout, giant inflatable assault courses, football speed cage challenges, fairground rides and huge soft play areas!

For the music-lovers a DJ put on some uplifting and nostalgic tunes for the crowds to enjoy after the Steel Band, whilst stilt walkers treated children to balloon art.

This year also featured the famous Out of Bounds Mascot and some incredible competitions including the chance to win a Porsche for the weekend!

That's not all - with scrumptious cakes, a beer tent, barbeque, candyfloss and lashings of prosecco and ice cream on sale, there was something on offer to tempt everyone's taste buds.

Admission was completely FREE, inclusive of free entertainment, soft play and balloons – and with proceedings wrapped up at 3pm, there was plenty of time to enjoy the celebrations at this year's Findon Village Summer Revels.
