

Post-16 Transport Policy Statement

West Sussex County Council asks for views each year about the Post-16 Transport Policy Statement. The consultation aims to make sure the information in the Policy Statement is up to date and complete.

The Policy Statement sets out the help that is available through the council, schools, colleges and transport operators for young people of sixth-form age and those who are 19+ with an Education Health and Care Plan to get to school or college.

A consultation is now open and available via this [link](#) and runs until 17 March 2024 . All responses will be considered before the council's Post-16 Transport Policy statement is published at the end of May.
