

Extended until February 14th

FVH

Unless you have already voted, your Village Hall needs your vote - whether it's "Yes" or "No"

- Voting slips and ballot boxes are available for you to cast your vote at the Hall, the Village Shop, the Gun, the Village House or at Peckhams, the butcher
- Alternatively, you can email us - cathrine.gear@findonparishcouncil.gov.uk and don't forget to tell us your name, your house name/number and postcode, please.
- Findon Parish Council are proposing to help the Hall complete its extension by securing a Public Works Loan.
- The recent exercise to establish the views of the village was overwhelmingly positive - but not enough votes were cast to make it valid! We need at least 70 more households to vote - don't delay, have *your say* today.
- The loan would add ~10p/week to the Precept for a Band D household at current interest rates - in return the hall would be able to support two bookings at once.
- The Village Hall is a resource for YOU - a low cost venue for your clubs, your children's parties, your entertainment and we are looking for new ways to meet the needs of those we don't yet serve - the extension will help.
