

Let's have some fun!

The weddings for this year have come and to end and now we get to have some fun! We've got a lovely mixed diary coming up:

19th November: Basketweaving with Catherine Beaumont - this sold out quickly and we've added another date on the 9th March 2024

30th November: A festive watercolour workshop with Jo Dowers

1st December: Wine Tasting Evening with South Downs Wines - this was a smash hit in March so we'd thought it would be nice to do one closer to Christmas - a selection of wines to try, a delicious grazing platter - a lovely evening all in all

5th December: A Festive Afternoon Tea - we'll be all dressed for Christmas and celebrating St Nicolas.

7th December: Wreathmaking Workshop with Sage & Co - canapés, drinks and a chance to make your own luxury wreath

And next year: **27th April:** our inaugural Leap Year Ball in aid of Keep Me Breathing. Black Tie and Fabulous - tickets are not yet on sale but please join our waiting list to find out more.

19th July: Open Air Opera with the wonderful Barefoot Opera - La Traviata

20th July: The Changeling Theatre are back with their production of Noel Coward's Present Laughter

21st July: We'll be opening our gardens on behalf of the NGS one more - afternoon tea on the terrace and hopefully glorious weather!
