Warning: Adders!

The warmer Spring days are bringing out the Adders to bask in the sunshine in the fields. There have been several sightings recently on Cissbury and on the fields at Findon Valley.

Ramblers and dog walkers should be careful where they tread and watch what their ever curious dogs are doing.

Adders vary in length from 40cm (16in) to 70cm (28in) and can be distinguished from other non-poisonous native species by the zig-zag pattern on their back, or V or X-shaped markings on their heads.

An Adder bite is harmful and can be fatal to dogs.

If you get bitten seek medical advice from your doctor. For dogs the urgency is greater.

The most important factor in response to an adder bite on a dog is rapid and urgent veterinary treatment to reduce the chances of the venom entering the lymphatic and circulatory system. If possible pets should be carried as walking encourages the venom into the circulatory system.

If you didn't witness your dog being bitten, signs of an adder bite are: local swelling, pain, bleeding and lameness.

From the Rectory

By the time you read this, our Curate, Colin will have been ordained Priest; you'll be able to read his reflections on this in the July Findon News! This does not mean he will be leaving us (or that I will be moving on), simply that he will now be able to celebrate the Eucharist which as a Deacon he was not allowed to do. As a priest, he, like all of us, will still also be a Deacon, a role of humble service within the community. If there is anything either of us can do to help you, please do not hesitate to ask!

Last month, I wrote about the 'Thy Kingdom Come' prayer initiative. A week ago, I went to St Michael and All Angels church in South Lancing, to visit the art exhibition they were staging as their contribution to this initiative.

When I went, I was fortunate to have the artist, Paul Hobbs, there, explaining the meaning behind the artwork, and the methods he had used in some pieces, which I found fascinating. Near the entrance was a particularly poignant installation [pictured right] featuring a variety of shoes pointing towards a central sculpture, titled 'Holy Ground'. This referred to the experience of Moses at the burning bush (you can read the story in Exodus chapter 3) where he encountered the Lord and received his own calling. The papers at the edge told the story of each person who had donated a pair of shoes, from around the world.

Another installation was formed of a selection of wooden blocks, each with a

word on, that you were invited to use to form your own sculpture.

Increasingly I find that I encounter God in so many different ways, not least through the medium of art, and this exhibition was no exception.

If in the future, you have the opportunity to see Paul's work, I highly recommend it!

The Prayer day held in Findon Church was appreciated by those who attended and my prayer for you all is that as we celebrate the Feast of Pentecost on June 20th, each of you will be touched by God's Holy Spirit and inspired to grow in your faith.

Every blessing,

Helena

Findon Parish Council Report

New Chairman

At the Findon Parish Council annual meeting on 14th May, Cllr Robin Carr stood down as Chairman and Cllr Sean Smith was appointed Chairman for the coming year. We wish him well in his new role.

Councillor Vacancy

After some 5 years dedicated service Del Henty has recently resigned as a Parish Councillor which means we have a vacancy and the Parish Council would like to fill as soon as possible . Anyone wishing to be considered for co-option as a Parish Councillor and play an active role in helping to manage the affairs of the Village should please contact the Parish Clerk , Fiona MacLeod (phone number 877225).

Stoolball Tournament

Still playing sport myself , it is a great idea to have team games by way of Stoolball (a game originating in Sussex) back on Nepcote Green . I believe many years ago both football and cricket were played on Nepcote Green . The Stoolball Tournament arranged for Sunday 3rd June to involve 12 teams has been organised by Graham Langford and already well advertised . We wish him good weather on the day.

This meeting is not limited to members only - friends and family are also welcome as we need to expand on our current base membership of 64. (There are also spaces for two or three members that might wish to join the Friends' Executive Committee.)

Offers of cakes will be much appreciated, as will help serving, too, and also for the Stool Ball community event on Sunday 3rd June on Nepcote Green from noon-6.00pm.

If you are able to help - with either event - please contact Ian Hollyhomes on 872475.

Findon Village Store – May Update

Angus Charlton is rapidly settling into his new role as Shop Manager, with a lot of new ideas and enthusiasm, and has been greatly encouraged by the warm welcome and support from Volunteers, Customers and Staff.

During May we held the second volunteer meeting in the Village House, a great opportunity for all the volunteers to communicate their ideas and concerns to Angus, Margaret, Annie and the management committee members who attended. A real concern is the shortage of volunteers as we approach the summer holiday season, and the urgent need to expand our volunteer base. Those who do volunteer all say how rewarding it is to help man the shop, training is provided to all new volunteers, and Margaret Bamford does her best to slot volunteers into those shifts that best suit their availability.

**YOUR SHOP NEEDS YOU,
SO CALL MARGARET
IF YOU WISH TO HELP!
(873737 or e-mail mbamford@gmail.com
she can't wait to hear from you!).**

Becky and Steve have introduced several new lines of product :-

A range of cakes from 'A Taste of Dreams'.

A new range of chilled produce, deserts, cheeses, smoked fish, and a wider range of yogurts.

The new ice cream freezer has a wider range of choice, and has already proved very popular as the weather has improved.

Gingers Kitchen has launched a summer range of soups and frozen meals.

Many thanks for all those who continue to support the shop, come and see the new ranges when you're next in the village!

Findon Village Circus 2018

What a fantastic event! Wednesday 25th April saw the second Findon Village Circus Spectacular come to Nepcote Green. With Happy's Circus Big Top arriving during the day, the huge tent housed just over 600 attendees all ready to enjoy a multitude of fantastic action packed family entertainment from 6pm! From Mr Happy's crazy antics, incredibly daring acrobatics and even a cream pie to an unsuspecting dad, a hugely funny and entertaining evening was had by all.

Sponsored by The Big Lottery and supported by Findon Parish Council, this amazing event not only offered the local and wider community a fantastic evening on their doorstep but also raised hundreds of pounds to help support the village school. With circus clown stilt walkers greeting everyone that arrived, a pre-event play zone, hot refreshments, candy floss, popcorn, ice cream and a full circus performance it really was a village event not to be missed!

Unbelievably all of this was run solely by volunteers organised through the St John the Baptist CofE PTA and Governors!

The St John the Baptist CofE Primary School's PTA and Governor groups are incredibly hardworking committees that work tirelessly throughout the year organising various village events amongst other important roles. The events encourage closer links between the local community and school by

organising social activities that raise funds and also provide an opportunity for residents, parents, staff and pupils to get together and celebrate the community. This also includes the Findon Village Firework Fantasia, the Summer Revels and previous years' Findon Sheep Fair Refreshments. Funds raised provide essentials and extras not possible within the school's budget - recently the school now has essential mathematical equipment and outdoor landscaping, bee hives for the children to manage along with chickens, a complex nature trail, an all-weather canopy for the playground, a beautiful greenhouse overflowing in abundance with vegetables, herbs and stunning flowers! Current projects include improving on the complex nature trail with other wildlife habitats, plans for a new outdoor classroom, a large outdoor sports development project and an essential IT Suite!

Following this year's Circus, the team would like to give a huge thank you to Findon Parish Council for their support and use of land, a very special thank you to Cllr Clive Ball for all his incredible logistical support before, during and after the event and all those who generously donated their time to make the Findon Village Circus Spectacular 2018 such a successful evening along with everyone that attended for producing such an incredible atmosphere!

Stoolball Tournament

By Kind permission of Findon Parish Council, Findon Church is organising a
Stoolball Tournament
on Nepcote Green
from midday to approx 6pm
on Sunday 3rd June 2018

Twelve teams have entered from the village and surrounding area and there will be two pitches where games will be run at the same time. Each group will have six teams and the winning team from each group will play in the final.

The Sheep fair committee (who have entered a team) has kindly agreed to let us use the tables, chairs, gazebos and the new public address system from the wattle house for the afternoon.

There will be refreshments and these are being run by the Friends of Findon Church. There is no need to bring along a picnic as the food on sale will be at a very reasonable price.

If anybody would like to help the Friends serve the refreshments or donate a cake please contact Ian on 07774643548.

We are looking for some umpires and scorers and if anybody would like to help with these two positions or help setting up the gazebos or taking them down, please contact Graham on 07753755889.

Please bring family and friends and enjoy refreshments and a chat on Nepcote Green. Parking will be restricted so please walk up to the green.

“Pedal Power in Findon Village”

As one of the most popular local cycling areas, Findon Village now boasts a fantastic new community bike and scooter rack built entirely by the West Sussex Community Volunteer Scheme and village school parents!

Based at St. John the Baptist CofE Primary School, the racks aim to help reduce traffic congestion and pollution whilst promoting a healthy lifestyle.

Some of the bike rack users

With the charity Sustrans reporting that every time a child is driven to primary school and back their car releases about 84 balloons worth of carbon dioxide into the atmosphere, the amount of damaging gases can be greatly reduced if more people left their car at home whenever possible.

The new community bike racks have already helped to ease traffic in the area whilst also giving children and adults a chance to get their recommended daily exercise!

Funded by West Sussex County Council and the St John the Baptist CofE Primary School PTA, supported by Active Communities and the West Sussex Community Volunteer Scheme, these bike and scooter racks have become a fantastic community resource.

St John the Baptist CofE Primary School PTA Chairman, Sadie Collis says “We would like to give a huge thank you to the West Sussex Community Volunteer team and those parents that helped build this great community resource. Having the opportunity to promote a healthy lifestyle whilst reducing traffic congestion is extremely important to us. We look forward to visitors arriving by bike and scooter for our Findon Village events including the Summer Revels and Findon Village Fireworks.”

Celebrating 10 Years at the Village House

This summer we are celebrating 10 years running the Village House.

To mark this milestone we have planned two events that will be great fun but also, more importantly will raise money for local charities, as well as thanking our customers for supporting us.

Wednesday 27th June sees the Village House 'all stars' take on Findon cricket club Vets at Long Furlong. The bar will be open and the cricket starts at 4.30pm with charity buckets and raffle tickets on sale.

Then on **Saturday 30th June**, the Village House will be hosting a fantastic garden party.

We have 3 live bands playing, plus fabulous food served in the garden all day.

There will be plenty for all to enjoy including our charity raffle in aid of Chestnut Tree House and Findon pre school.

We would love locals to come and enjoy the day and help us raise lots of much needed funds.

See you there.

Crime Report

No reports of crime in our locality during the past month.

Warning as fraudsters target elderly with bogus calls

People are urged to hang up the phone if they receive an automated voice call from HM Revenue & Customs (HMRC) which threatens them with legal prosecution. The calls tell victims they are under surveillance and have to call the HMRC on a 0333 number.

This type of contact is designed to convince you to hand over valuable personal details or your money. Never assume anyone who has contacted you is who they say they are. If an email, phone call or text message asks you to make a payment or log in to an online account, be cautious and report it to Action Fraud - online at www.actionfraud.police.uk or call 0300 123 2040

Be advised that any contact from HMRC will always include your unique taxpayer reference number.

Crime Figures

A recent analysis of Home Office data for the BBC Panorama has shown that the number of criminal charges being brought in England and Wales has been falling - despite more crimes being recorded in the same period.

The figures for Sussex in the last three years identifies:

Recorded crime in this police force area rose 16% (nationally - by 21%).

Police charges are down by 23% (nationally, they have fallen by 11%).

Charges for criminal damage and arson in Sussex have fallen by 41% in the last three years.

Police say a squeeze on resources is making crime harder to investigate while The Home Office says it is working with police to find a solution. ►

Think Before You Click

Research has shown that internet users can make themselves 80% safer online by following two golden rules:

create a strong password and update your system regularly.

Last year the Elders' Commission's Big Conversation identified that many people were not confident using computers and the internet.

Several didn't have firewalls or anti-virus software in place and numerous had easily identifiable passwords.

Older people are more desirable targets for criminals - certainly the case in Sussex. Nationally younger people are most likely to be victims of fraud.

The message is simple: all users of computers should use strong passwords online and make sure you keep your system updated.

Findon Planning Applications

Planning applications for Findon are under the authority of South Downs National Park and listed on the SDNPA website (www.southdowns.gov.uk).

Findon Parish Council (FPC)

Planning Committee meetings are scheduled monthly to consult on planning applications received from the South Downs National Park Authority (SDNPA). Parish Consultation Letters (PCL) received from the SDNPA are displayed on the Notice Boards outside the newsagents and the Village Hall, and published on the FPC website (<http://findon.arun.gov.uk>) along with the schedule of Committee meeting dates. Please note that due to Findon News publication deadlines, some applications may have already been placed before the Committee. Residents should check the Notice Boards and FPC website regularly to view notices and meeting details. Any enquiries should be addressed to the FPC Clerk - 01903 877225.

Paws Animal Sanctuary

A lady turned up with a Cockerel in a box and told me she had bought three hens a few months ago but one turned out to be a Cockerel, he was crowing very loudly at five o'clock every morning. Her neighbours were all complaining so she decided to bring him to PAWS. Luckily a friend runs The Old Gardens Animal Rescue Centre in Sidlesham and they take in all unwanted Poultry, Ducks, Geese, and also hundreds of ex. battery Hens. She said the Cockerel could go there. We were checking the Cockerel before taking him over and shocked to discover he had a tight wide 3" elastic band around his throat, obviously to stop him crowing, poor thing. It didn't work because he stayed here over night and started crowing early hours of the morning!

We have had a steady stream of baby birds arriving every day and so many calls about baby foxes and hedgehogs, specially in the evenings when people find them in their gardens when they come home from work.

A couple arrived at 7 o'clock with a poorly Hedgehog, while I was showing them around another couple arrived with another poorly Hedgehog, both needing to go to The Brent Lodge Wildlife Hospital next day.

New arrivals this week an unwanted Hamster called Penny, and a Degu called Nibbles, (we have never had a Degu before).

One morning we had a lost Dog brought in, he was not

in a very healthy looking condition with bites on his face and his ribs all sticking out, so thinking he had been dumped I called Russ our local Dog Warden who came and took him away. He was microchipped but when you ring the microchip company they are always so busy I gave up and just handed Russ the dogs microchip number. That evening the owner of the dog turned up to claim the dog! OOPS !

Findon Downs WI

May Meeting 2018

Resolutions.

A W.I. Adviser attended our meeting.

We were made aware that the proposer is concerned that mental illness can affect any sector of society, but there is still a stigma around talking about this illness. The proposer wishes to see the WI work to reduce the stigma around mental health by learning about the issue and discussing it openly in local communities. Our delegate will attend the Annual Meeting in Cardiff next month with delegates from all over the country and WI's get one vote for the resolution – for or against.

We send our sincere condolences to the family of Mrs Pat Andrews.

Pat was a member of our WI for many years and she will be sadly missed by all of us.

Next Meeting – Tuesday 12th June

2.30pm in Findon Village Hall

Speaker: Ben Cross

'Crosslands Flower Nursery'

President - Findon Downs WI

Findon Village WI

Our May meeting was our resolution meeting.

This year's proposed resolution is 'Mental Health Matters'

We had a very interesting, lively debate about this important subject – discussing how the WI could help address the many problems surrounding mental health

We then enjoyed tasting the many delicious homemade biscuits brought in for the competition table – Tracy's and Tricia's biscuits got the most votes.

Our next meeting on **Thursday 14th June is a Fun Beetle Drive** – with the emphasis on FUN!

Our competition is a fun/beautiful insect (not real!)

Good luck to all our Crafty Ladies who have entered the South of England Show – a wall hanging, a drizzle cake, a water colour and knitted toyshop are amongst the amazing entries from our talented ladies.

Have a look at our new website – <https://findonvillagewi.wixsite.com/my-site> or find us on Facebook...Findon Village WI or email findonvillagewi@hotmail.co.uk

All visitors welcome – we look forward to seeing you

Readers' Feedback

20mph!

Congratulations on the Parish Council in getting 20mph speed limit signs erected throughout the Village.

Now all that remains is to get the many drivers who think it does not apply to

them to observe this limit and drive accordingly.

I am sure I am not the only resident who thinks many drivers cannot or will not drive at 20mph.

Profile of a Villager

Jenny Dean

In 2010 my wife, Jenny, and I moved from Bedfordshire to Findon to be closer to our daughter and granddaughters, who live in Worthing.

One of the attractions of Findon was Findon Sheep Fair, which we had first learned about from posters along the A24 when we were en route to Worthing.

Sadly, we had never managed to visit the Sheep Fair and Jenny was particularly eager to discover what went on there, as she has always had a keen interest in anything to do with sheep and wool and is also a hand-spinner.

However, her main interest is in natural dyeing, using traditional plant dyes and methods. Jenny grows or gathers plants, from which she makes a glorious range of colours to dye the wool she spins.

Jenny has also written several books on the practice and history of natural dyeing, on which she is an acknowledged expert. One of her books, *Wild Colour*, has become a classic and

is highly regarded around the world as a definitive work on the subject of natural dyes; it was first published in 1999, with a revised edition in 2010 and is about to be re-printed again.

Another of Jenny's books, "A Heritage of Colour" published in 2014, was based largely on plants growing in and around Findon and the inspiration for this book came from the realisation that the Iron Age dwellers at the hill fort of Cissbury Ring may have used similar plants to dye the textiles they produced.

Inevitably, mention of an interest in sheep led Jenny to Graham Langford and the Nephote Flock of Southdown sheep and she has spun yarn and woven or knitted many garments using fleece from this flock.

In September Jenny will, as usual, be at her pitch in a gazebo near the top end of Nephote Green, where she will be welcoming those who would like to see what can be created using Southdown and other wool; and plants which grow in or near Findon.
